

Worksheet 1:

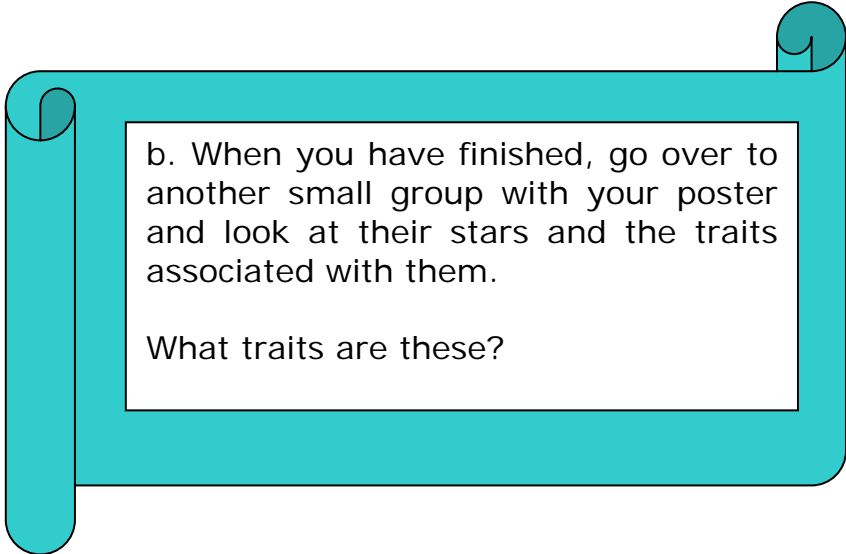

Our stars

a. Work in pairs. Prepare a poster or a collage to display one of your favourite stars (one star per pupil!). You can cut out illustrations and pictures from magazines or print pictures from the Internet. Next, paste them onto your poster.

Discuss why you selected this star and what you especially like about this star.

Finally collect a large number of your star's personal and physical traits (adjectives) and write them on the poster.

b. When you have finished, go over to another small group with your poster and look at their stars and the traits associated with them.

What traits are these?
